Dear Families,

We have been working away behind the scenes and the students have been working well during sessions after school. However, when you receive this note we will have only 81 days until the event which isn't many when you take out the school holidays and other days for certain events.

It is extremely important that **ALL** students and at least one parent attend Sunday trainings from now until the event. We are also requesting that students bring their bikes to Sunday training so that they are able to build up their fitness by doing laps on their bike while they are not in the cart, as a high level of fitness is necessary for the endurance race.

We need four people to be marshals and complete an online course and at least another four parents to be available to be part of the pit crew. Pit crew will also be required at some training sessions.

We also need to know the names of parents and family members who will be at Maryborough and on which days. Also please indicate if anyone has any special dietary requirements.

The following are the training sessions for the rest of the term.

Tuesday 2nd September -Casey Fields

Tuesday 4th September-Normal training

Sunday 12th September-Cancelled due to Luna Park with Ramo Delegation

Tuesday 11th September-No training due to Ramingining Delegation visiting Casey Arc

Sunday 16th September-Casey Fields

Tuesday 18th September-Normal training with parents attending a meeting at the end of the training session (5:00pm). Please ensure there is at least one parent attending

Sunday 23rd September-Casey Fields

Sunday 7th October- Casey Fields

Please fill out the attached page and return to school ASAP.
