Enrolments for 2018

We have commenced our planning for next year and currently the staff are considering the grade formats for 2018. If any family has a particular reason they would like us to consider when placing their child in a new grade it would be appreciated if these could be put in writing and given to me before Friday 24th November 2017. Reasons must be based upon social and emotional reasons and not preference of teacher.
